7. APPLICATION ASSESSMENT

- 7.1 The extent of Assessment will be prescribed by Us taking into account the range, scale and geographical spread of the MCS Work carried out or managed by the Business.
- 7.2 Each proposed Technical Person, as appropriate, will be present throughout the Assessment. The Nominee will be present for the opening and closing meetings. No other person will be present during the Assessment without the express prior agreement of Our Assessor, or Us.
- 7.3 You will:
- (a) allow Our Assessor to complete the Assessment process in line with the requirements of MCS 001 and the relevant MIS documents, sufficient evidence must be demonstrated of compliance with current building regulations and applicable standards. This will include all the items referred to in Requirements for Certification, together with such other items as may be prescribed by Us; and
 - (b) make prior arrangements with your customer(s) for the installation Assessment(s) to be conducted, including all relevant safe access and egress; and
 - (c) provide facilities for such Assessments, including transport, tools, plant, test equipment and access to its place of Business and to the MCS work selected for Assessment; and
 - (d) demonstrate to Our Assessor that Our Forms, Trademarks, Certification Mark or Logos have not been used in any manner or for any purpose, nor will You in anyway represent yourself as being certified.
- 7.4 Any non-conformity(ies) identified during the Assessment may result in additional Assessment(s) unless the identified non-conformity(ies) can be rectified via alternative methods such as correspondence . Our decision will be final in respect of appropriate rectification of non-conformity(ies). Additional Assessments will incur fees.
- 7.5 All electronic recording devices are to be switched off for the duration of the Assessment, and it is not permitted that any part of the Assessment is recorded.
- 7.6 A completed Assessment will result in a recommendation; this will be communicated during the closing meeting(s). Any recommendation is always subject to independent review and Certification decision.
- 7.7 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us.
- 7.8 The duration of Assessment will depend on the number of technologies applied for and the number of installations required to be assessed.
- 7.9 Assessments will cover both quality management systems and completed installation(s) unless agreed in advance with Us to assess an incomplete installation.

8. CERTIFICATION

- 8.1 When considering an application, We may at Our discretion decide to:
- (a) grant Certification; or
 - (b) grant Certification with defined scope in which event the scope of work covered by these Scheme Rules will be subject to such conditions as We see fit, and which will be agreed by and notified to You; or
 - (c) defer further consideration of the application for a defined time because either insufficient work was available for Assessment or You otherwise failed to meet the Requirements for Certification and/or Application Assessment. Under these circumstances a further Assessment may be necessary for which a charge will be payable in accordance with Our Fees and Charges; or
 - (d) reject the application.
- 8.2 An application for Certification may be cancelled by Us, 12 months from the date of the application being received if You have not achieved Certification.
- 8.3 If You have been certificated with Us previously either under a previous trading title or your current trading title, and a claim was paid out under Our Platinum Promise, You will be required to reimburse all fees incurred before Certification is granted otherwise the application will be rejected.
- 8.4 When Certification is granted, the Trading Title of the Business will be included in the applicable Register(s) of Certificated Businesses

- 8.5 The Certificate is issued when We have confirmed compliance with these Scheme Rules.
- 8.6 Certification will be effective from the date that We are satisfied that the required conditions have been met and all fees have been paid. Subject to continued compliance with these Scheme Rules and scheme requirements, the Business will remain certificated.

9. CONDITIONS FOR CONTINUED CERTIFICATION

- 9.1 You are eligible for continued Certification for as long as:
- (a) We are satisfied that You continue to comply with these Scheme Rules published, updated and notified, by Us to You; including increases to fees and the undertaking of Surveillance requirements and
 - (b) payment of all fees is made by the due date; and
 - (c) contact information for your Business is kept up to date by You and any changes notified to Us immediately; and
 - (d) records are maintained for a minimum of 6 years or longer if contractually agreed, inclusive of but not limited to; specifications, certificates, competence records and complaints; and
 - (e) You demonstrate compliance at Surveillance, through successful Assessment outcome(s).
- 9.2 You will respond as required to compliance queries posed by Us.
- 9.3 You maintain a Consumer Code Registration compliant with the Scheme requirements.
- 9.4 You maintain a sub-sub license with the Consumer Code.
- 9.5 Should the scheme require notification of MCS Work applicable per technology and per installation, You must adhere to these requirements.

10. SUB-CONTRACTING

- 10.1 You will not sub-contract work within the scope of the Certification without first getting the agreement of the person ordering the work.
- 10.2 You will permit the Assessment of and accept full responsibility including any liability arising from work sub-contracted to another party.
- 10.3 Where You sub-contract installation work, that work must:
- (a) be carried out by a Business able to demonstrate the necessary competence in the range of work being sub-contracted. Sufficient formal evidence must be retained by You for subsequent Assessment by Us; or
 - (b) any work sub-contracted must have an appropriate formal sub-contract agreement between You and the Business to which the work is sub-contracted; or
 - (c) be subject to the appropriate sample Assessments by You.

11. CHANGES TO CERTIFICATION

- 11.1 You will give notice to Us of any change to the certificated Business's details. Such notice will be given immediately or within a maximum of 30 days of any such change becoming effective. Following such notification, continued Certification will be at Our discretion. Such changes include but are not limited to, changes of:
- (a) legal constitution
 - (b) Trading Title
 - (c) address
 - (d) Nominee
 - (e) Technical Person
 - (f) financial status
 - (g) other significant particulars
 - (h) declarations upon the basis of which Certification was granted

- 11.2 Where, notwithstanding a change of legal constitution or Trading Title, You remain unchanged in all other material respects, We may at Our discretion grant a transfer of Certification. The Business to which Certification is transferred will sign an undertaking that it will comply with these Scheme Rules and accept full responsibility for the work within the scope of Certification undertaken by the previous holder of the Certification. Where a partnership is dissolved, Certification may be transferred to a new Business comprising one or more of the former partners subject to the written agreement of all the former partners.
- 11.3 Where, in Our opinion, the changes are such that the conditions under which Certification was granted are significantly affected, You will, if We require:
- (a) make a new application for Certification; or
 - (b) make facilities available, as required by these Scheme Rules, for an additional Assessment of You to confirm continued compliance; or
 - (c) where there is a significant change in the range of MCS Work undertaken by You, You will notify Us and, if We require:
 - (i) make a new application for Certification; or
 - (ii) make facilities available, as required by these Scheme Rules, for an additional Assessment of You to confirm continued compliance; or
 - (iii) accept Certification with defined scope, in which event, the scope of MCS Work covered by these Scheme Rules will be subject to such conditions as We see fit and which will be agreed by and notified to You.
- 11.4 Where a Nominee ceases to be employed in that capacity, You will advise Us without delay and, within 30 days of the change, provide a declaration on the form prescribed by Us to confirm that a suitable replacement has been appointed.
- 11.5 Where a Technical Person ceases to be employed in that capacity, You will advise Us without delay and, within 30 days of the change, provide a declaration on the form prescribed by Us. A replacement Technical Person, accepted by Us, will be employed in that capacity within 120 days of the former Technical Person ceasing to be employed in that capacity.
- 11.6 Fees and charges paid in respect of change of Certification particulars, or a transfer of Certification are non refundable.
- 11.7 Where MCS Work beyond the scope of Certification starts to be carried out or managed, an application must be made to amend the scope of Certification.

12. SURVEILLANCE

- 12.1 For the purpose of determining continued eligibility for Certification, You will be required to facilitate Surveillance requirements as defined by Us, based on the range, scope, number of personnel and geographical spread of the work undertaken.
- 12.2 During Surveillance, You will produce to Our Assessor the below and enable the assessment of the items referred to in Requirements for Certification:
- (a) a list of all MCS Work completed since the previous Assessment; and
 - (b) a list of all MCS Work in progress; and
 - (c) make available the designs, method statements, commissioning and handover documents relating to that work; and

 - (e) any other items as prescribed by Us; and
 - (f) a copy of your complaints log and complaints procedure; and
 - (g) evidence of competency for all individuals involved.
- 12.3 The Nominee will be available for the Assessment, attending the open and closing meetings. No other person will be present during the Assessment without the express prior agreement of Our Assessor, or Us.
- 12.4 Each Technical Person being assessed will be present throughout the Assessment.
- 12.5 You will provide facilities for such Assessments including transport and test equipment and will arrange access to the work selected for Assessment.
- 12.6 You will provide access to your records, demonstrating retention for a minimum of 6 years or longer if contractually agreed, inclusive of but not limited to; specifications, certificates, competence records and complaints.

- 12.7 The cancellation by You of two or more scheduled Assessments will lead to a review of your Certification, this could in turn lead to Suspension and/or Cancellation of Certification.
- 12.8 Where You are found not to comply with the requirements of these Scheme Rules, We will notify You of the non-conformity(ies), which may necessitate Us carrying out further Assessments. You will be responsible for your own costs and for payment of Our fees for further Assessments as may be determined and published by Us. Where Our Assessor identifies non-conformity(ies), You will undertake appropriate remedial action within the timescales prescribed.
- 12.9 Where You fail to provide facilities for an Assessment for which reasonable notice has been given or cancel an arranged Assessment by giving less than 21 days' notice, or fail to comply with the Requirements for Certification. You will be responsible for payment of Our fees as may, be determined and published by Us.
- 12.10 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us.
- 12.11 All electronic recording devices are to be switched off for the duration of the Assessment and, it is not permitted that any part of the Assessment is recorded.
- 12.12 In addition, during the Surveillance Assessment Our Assessor will sample evidence of any Building Regulations notifications and/or MID notifications carried out since your last Assessment. Failure to demonstrate sufficient evidence of correct notification(s) will result in non-conformity(ies).
