

# NICEIC Installation Award competition

## Terms and conditions

1. The promoter is Certsure LLP trading as NICEIC, a limited liability partnership registered in England and Wales with registered number OC379918 and whose registered office is at Warwick House, Houghton Hall Park, Porz Ave, Houghton Regis, Dunstable LU5 5ZX (the "promoter", "we" or "us").
2. The competition is open to residents of the United Kingdom aged 18 years or over and employees of NICEIC-certified businesses who have had an assessment carried out within the last 12 months.
3. There is no entry fee and no purchase is necessary to enter this competition.
4. The competition will begin on 31 January 2025 with a winner being selected each quarter, as provided for in these terms and conditions. [The competition will initially run for 2 months, after which the promoter may, but is not obliged to, extend the competition].
5. The closing date for entry for the competition will be the last day of each quarter (i.e., 31 March, 30 June, 30 September and 31 December). For example, the initial launch date is 31 January 2025 and the competition will close on 31 March 2025 at 23:59. After this date, no further entries to the competition will be considered for this cycle. If the promoter receives the entry after the closing time, it will be entered in the next competition cycle instead (if the competition is still being run in the following quarter).
6. By entering this competition, you are agreeing to be bound by these terms and conditions. You must comply with all the rules and terms of use referred to in these terms and conditions in order to be eligible for the competition prize.
7. To enter the competition, please visit: <https://niceic.com/installation-of-the-month/>. This webpage details how to enter and features an extensive FAQ section to answer any questions you may have.

8. This social media competition will predominantly run on Instagram and Facebook. However, it will also be shared across all of NICEIC's communication channels to maximise publicity for the winner.
9. You **must be employed by an NICEIC-certified business** to be considered for this competition. You will also need your employer's permission to enter this competition on your company's behalf, as well as the agreement of the NICEIC principal duty holder in the knowledge that your employer will be named if you win.
10. To be eligible to participate in the competition, you and your NICEIC-certified employer must not have any outstanding payments due to the promoter or any of the companies in the promoter's group. Nor should you have any unresolved complaints against you or your NICEIC-certified employer to be considered for this competition.
11. Only one entry will be accepted per person. If multiple entries are made for the same person, that person will be disqualified for the given competition cycle.
12. The installation must be verifiably your own work and all pictures and videos must be taken by yourself. If this cannot be verified, the promoter reserves the right to refuse entry to the competition.
13. In the event that we are made aware of an installation that we believe to be potentially dangerous, your entry will be barred from the competition, and we may (but shall not be obliged to) contact the person who submitted the image directly to raise our concerns.
14. All information provided by yourself must be complete, accurate and not misleading.
15. No responsibility can be accepted for entries not received by the promoter for whatever reason.
16. The rules on how to enter are as follows:

- a) Head on over to our Instagram or Facebook page (or both) and like our competition post, which will be pinned to the top of our Facebook and Instagram feeds.
- b) Share our competition post with your followers to let them know you're entering.
- c) Send us your pictures and/or videos or your installation via Facebook Messenger or Instagram direct message, along with a few words about why you think your work deserves to be crowned as that quarter's winners.

17. The promoter reserves the right to cancel or amend the competition, and these terms and conditions, without notice in the event of any actual or anticipated breach of an applicable law or regulation or any other event outside of the promoter's control. The promoter will inform entrants of any changes to the competition as soon as possible. Where the promoter needs to change a closing date, it will look to change the closing date only as far as it considers reasonable, so that those seeking to participate within the original deadline will not be disadvantaged.

18. The prize is as stated within the launch graphic and on the webpage - no cash or other alternatives will be offered. Prizes are not transferable and are subject to availability.

19. Following each quarterly closing date, the winner of the competition will be selected by employees of the promoter representing the NICEIC brand. All complete entries received by the promoter before the closing date will be judged. The winner will be selected by the judges, as they see fit, based on:

- a. their submission's visual technical integrity
- b. the written context provided
- c. the quality of the image
- d. the tidiness of the work area
- e. any visual improvements from a before and after comparison.

20. Winners will be notified via direct message on the social media channel they used to submit their entry, within 28 days of the closing date. This will then be followed by a public announcement sharing the image of your installation, your first name, your company name and the area in which you are based. The announcement will only be made once we have received the following information from you: your address, name, company name and contact details.
21. If you share an incorrect address, we will not resend any prize due to this error. Please ensure you share the correct information with us to ensure you receive your prize. If we discover that you have not shared the correct information, or do not meet the eligibility criteria, we reserve the right to withdraw your prize and pick a replacement winner.
22. We will only ever contact the winner via official NICEIC social media accounts. If the winner cannot be contacted or does not claim their prize within 30 days of notification, we reserve the right to withdraw the prize and pick a replacement winner.
23. The promoter will notify the winner when and where the prize can be claimed or will be delivered, as applicable.
24. The promoter's decision in respect of all matters to do with the competition will be final and no correspondence will be entered into regarding the outcome.
25. By submitting your image to us via direct message, you consent to us sharing this image on NICEIC communications channels, including your first name, employer name, employer logo and the area in which you work. If you win, you agree to take part in any publicity that we may reasonably require. We will not share your address or contact information publicly. Any personal data relating to the winner or any other entrants (other than any general information we publish) will be used for the purpose of administering the competition and in accordance with UK data protection legislation and our privacy policy, which can be found at

<https://niceic.com/about-us/privacy-policy/>. Aside from the uses set out in these terms and conditions, any personal information that you share with us by entering this competition will not be disclosed to a third party without your prior consent (except as we are required to by law).

26. If any new technical complaints are made against you or your NICEIC-certified employer, and these are validated by our complaints process, we retain the right to delete any posts published to our social media channels highlighting any of your installations. You also accept that in taking part in the competition, your work may be open to public critique, and we take no responsibility for the comments of any other people.
27. The promoter takes no responsibility for the winning installation. The promoter is judging the quality of the installation based solely on the information provided, including imagery and written context.
28. You will own the copyright of the image and other evidence that you submit to the promoter. You grant us a licence to use the copyright in your submission in accordance with these terms and conditions, including for publicising the competition and the winner.
29. This promotion is in no way sponsored, endorsed, administered by or associated with Facebook, LinkedIn, X, TikTok, Instagram or any other social network.
30. The competition and these terms and conditions will be governed by English law and any disputes will be subject to the exclusive jurisdiction of the courts of England.
31. If you have any queries about these terms and conditions about or this competition, please send an email to [james.larbi@certsure.com](mailto:james.larbi@certsure.com).
